## Brücke Bremen

We

- give consultation before and after you receive the summons in order to appear to serve a prison sentence/ to commence punishment (“Ladung zum Strafantritt”).
- ensure socio-pedagogical counselling of our clients during the community service and control their work performance
- offer local and individual placement to the places of employment.
- serve as contact persons for employers in case of procedures and problems.
- Acquire and maintain contact with places for work assignments in the state of Bremen.
- coordinate the handling of proceedings between clients, emergency services and public persecution offices and/ or courts.
- arrange payment by instalments, deferral of payment and suspension of execution of fines and we submit requests for clemency.
- cooperate with the help system of the state of Bremen in case of problems such as debt, addiction and homelessness.
- we help with applications for “processing” of fines.
